

TH202 Bibliology - A Systematic Theology for the 21st Century Part 02
from www.GSBaptistChurch.com/theology/th202a/ by Pastor-Rice@GSBaptistChurch.com

Greetings in the name of the Lord Jesus Christ 01/16/2016

Welcome to Bibliology. I have great expectations for this study. Some of you have not taken formal schooling in some time so I want this to be neither formal, nor schooling. Consider us a study group that is going to work through a couple hundred pages of important, exciting, and ground breaking material. I am looking for input from each of you that will make it all the more so.

Interaction is encouraged, our class roster is diverse, and your prayer for each is encouraged:

Pastor Edward Rice	Hammondsport, NY 14840	
Pastor Lee Pickett	Thompson, MB, Canada R8N1N5	
Pastor Shane Rice	Mazara Del Vallo, Italy (TP) 91026	EST + 6 hrs
Carl Nicely	Severn, NC 27877	
Pastor Alfred Juma Mangwa	Kenya Africa	EST + 8 hrs
Tracy Moore	Lakemont, NY 14857	No Email
Pastor Michael Stout	Groton, NY 13073	
Russell Fridlen	Claringa IA 51632-1174	No Email
Gilbert Harris	Hornell, NY 14843	
Pastor Jason Barlow	Canada?	

Additional students added as they sign up

The material for this study is available at the website www.GSBaptistChurch.com/theology/th202a/ . Feel free to download any of it for your offline use. If you have any trouble accessing it please let me know. I can mail it on CDs to those who do not have internet access. There is a moderate amount of reading and I hope you can get started this 3rd week of 2017. The pdf files are accessible on most ebook reading devices.

I hope to use Cisco Webex to hold webinars and meet and interact with each of you. You do not need an account with them to participate in these meetings. Just follow the instructions that come in your email. Your computer may warn you that Cisco's software will take control of computer assets, don't fuss, it uses your microphone and camera if they are available. I am very pleased with Cisco's Webinar environment, I used it to take Hebrew classes from Jerusalem. If you are computer savvy and do open a free Cisco account you can host your own webinars and even webinar with other students in this study. If you get an email announcing a Cisco meeting, I am still tinkering around with it and your schedules, feel free to join in at your convenience.

The web page has a worksheet with this weeks reading assignment and course slides that provide introductory information. Please take full advantage. I look forward to hearing from you.
